

# IntelliTouch ITC-120

## 1-Line Multifunction Caller ID Phone

Why put an ordinary phone on your desk when you have an ITC-120. Elegant ergonomic design makes it one of the most appealing single line business phones on the market. Large backlit 3-line display indicates caller ID as well as call waiting caller ID info and more. The ITC-120 is a high-quality professional business grade phone designed especially for business applications. The ITC-120 is also an excellent deskset for Centrex solutions.
