

IntelliTouch ITC-125

1-Line Multifunction Caller ID Speakerphone

Introducing the intelligent telephony solution for small business. The ITC-125 boasts a long list of features usually offered only on expensive business telephone systems, things like; backlit 3 line LCD with call waiting caller ID, a 99 name & number directory, a great sounding acoustically enhanced speakerphone, and much more... The IntelliTouch ITC-125 is high-quality professional business grade multi-function telephone designed specifically for business environments. The ITC-125 is the absolute perfect deskset for Centrex applications.
