

1-Line Multi-function Talking Caller ID Speakerphone**caller ID** **SPEAKER
phone** **TALKING
CALLER ID** 

Every home or home office needs a great corded phone and the SBC-116 is it! With its unique Talking Caller ID feature, you'll know who's calling even before you grab the handset. The SBC-116 announces the caller's name from the Caller ID record[†] or from the phone's phone book. Ten memory speed dial numbers put all your frequently called numbers right at your finger tips. Fantastic design and elegant ergonomics make this phone simple to use and a great-looking addition to any home or office.

- Talking Caller ID[†]
- Speakerphone
- 70 Phone Book Memories
- Call Waiting Caller ID[†] with 99-number Memory
- Electronic Hold
- 3-Line Multi-function Backlit LCD Display
